### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. McClure on 08/28/2006.

The application has been amended as follows:

In claims:

Cancel new claims 38-45 (since, they were not examined earlier).

### ***Allowable Subject Matter***

2. Claims 1-27 and 33-37 are allowed.

3. The following is an examiner's statement of reasons for allowance: After reviewing of the prior art references, the Examiner found that Applicant's arguments in the Remark pages 13-14, filed on 07/25/2006 are persuasive for placing the claims 1-27 and 33-37 in a condition for allowance. Furthermore, since Claims 1-27 are allowable, the restriction requirement between groups, as set forth in the Office action mailed on 05/01/2006 and 01/20/2006, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 33-37 are now being rejoined.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim(s) presented in a continuation or divisional application includes all the limitations of a claim that is allowable in the present application, such claims may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
